20 3. SCOPE

21 3.1- The protections conferred by this Protective Order cover not only Protected Material,
 22 but also (1) any information copied or extracted from Protected Material; (2) all copies, excerpts,
 23 summaries, or compilations of Protected Material; and (3) any testimony, conversations, or
 24 presentations by Parties or their Counsel that might reveal Protected Material.
 25
 26
 27
 28

1 3.2- The protections conferred by this Protective Order, however, do not cover the following
2 information: (a) any information that is in the public domain at the time of disclosure to a Receiving
3 Party or becomes part of the public domain after its disclosure to a Receiving Party as a result of
4 publication not involving a violation of this Protective Order or another court's order, including
5 becoming part of the public record through trial or otherwise; and (b) any information known to the
6 Receiving Party prior to the disclosure or obtained by the Receiving Party after the disclosure from a
7 source who obtained the information lawfully and under no obligation of confidentiality to the
8 Designating Party. Any use of Protected Material at trial shall be governed by separate agreement or
9 order.

10 4. **DURATION**

11 4.1- Even after final disposition of this Action, the confidentiality obligations imposed by
12 this Protective Order remain in effect until a Designating Party agrees otherwise in writing or a court
13 order otherwise directs. Final disposition shall be deemed to be the later of (1) dismissal of all claims
14 and defenses in this Action, with or without prejudice; or (2) final judgment of the Action after the
15 completion and exhaustion of all appeals, rehearings, remands, trials, or reviews, including the time
16 limits for filing any motions or applications for extension of time pursuant to applicable law and the
17 time limits for filing a petition for writ of certiorari to the Supreme Court of the United States if
18 applicable. The Court shall retain jurisdiction to enforce or modify this Protective Order and to make
19 further orders with respect to the use or confidentiality designations of Protected Material.

20 5. **DESIGNATING PROTECTED MATERIAL**

21 5.1- Exercise of Restraint and Care in Designating Material for Protection. Each Party or
22 Non-Party that designates information or items for protection under this Protective Order must take
23 care to limit any such designation to specific material that qualifies under the appropriate standards. To
24

1 the extent it is practical to do so, the Designating Party must designate for protection only those parts
2 of material, documents, items, information, or oral or written communications that qualify—so that
3 other portions of the material, documents, items, information, or communications for which protection
4 is not warranted are not swept unjustifiably within the ambit of this Protective Order. Absent such a
5 designation, except as required by any independent statutory or regulatory obligation, the Receiving
6 Party shall have no obligation to treat the disclosed material, documents, items, or oral or written
7 communications as “CONFIDENTIAL²,” “HIGHLY CONFIDENTIAL (COMPETITOR),” or
8 “HIGHLY CONFIDENTIAL (COMPETITOR) SII – ATTORNEYS’ EYES ONLY” unless and until
9 notified pursuant to Section 5.7 of an inadvertent failure to designate.

10
11 5.2- Mass, indiscriminate, or routinized designations are prohibited. Designations that are
12 shown to be clearly unjustified or that have been made for an improper purpose (e.g., to unnecessarily
13 encumber or retard the case development process or to impose unnecessary expenses and burdens on
14 other parties) expose the Designating Party to sanctions.

15
16 5.3- If it comes to a Designating Party’s attention that Disclosure or Discovery Material that
17 it designated for protection does not qualify for the protection initially asserted, that Designating Party
18 must promptly notify all other Parties that it is withdrawing or revising the mistaken designation.

19
20 5.4- Manner and Timing of Designations. Except as otherwise provided in this Protective
21 Order (see, e.g., Section 5.5(c) below), or as otherwise stipulated or ordered, Disclosure or Discovery
22 Material that qualifies for protection under this Protective Order must be clearly so designated before
23 the material is disclosed or produced.

24
25 5.5- Designation in conformity with this Protective Order requires:

26
27 (a)- For Protected Material in documentary form (e.g., paper or electronic
28 documents, but excluding transcripts of depositions or other pretrial or trial proceedings), that the

1 Producing Party affix the legend “CONFIDENTIAL”, “HIGHLY CONFIDENTIAL
2 (COMPETITOR),” or “HIGHLY CONFIDENTIAL (COMPETITOR)”SII) – ATTORNEYS’ EYES
3 ONLY to each page that contains Protected Material. If only a portion or portions of the material on
4 a page qualifies for protection, the Producing Party also must clearly identify the protected
5 portionportions(s) (e.g., by making appropriate markings in the margins), to the extent it is practical
6 to do so. For Protected Material that is produced in native electronic format, the designation legend
7 must be included in the file name of the native documents and on any related imaged slipsheets when
8 produced, and any Party when printing such Protected Material must affix the designated legend to
9 each page of the printed copy.

12 (b) Notwithstanding the foregoing, a Party or Non-Party that makes original
13 documents or materials available for inspection need not designate them for protection until after the
14 inspecting Party has indicated which material it would like copied and produced. During the inspection
15 and before the designation, all of the material made available for inspection shall be treated in
16 accordance with the rules applicable to "HIGHLY CONFIDENTIAL (COMPETITOR)" or
17 "HIGHLY CONFIDENTIAL (SII) – ATTORNEYS' EYES ONLY" information. After the inspecting
18 Party has identified the documents it wants copied and produced, the Producing Party must determine
19 which documents, or portions thereof, qualify for protection under this Protective Order. Then, before
20 producing the specified documents, the Producing Party must affix the appropriate legend
21 ("CONFIDENTIAL," "HIGHLY CONFIDENTIAL (COMPETITOR)," or "HIGHLY
22 CONFIDENTIAL (COMPETITOR)" SII) – ATTORNEYS' EYES ONLY to each page that contains
23 Protected Material. If only a portion or portions of the material on a page qualifies for protection, the
24 Producing Party also must clearly identify the protected portion(s) (e.g., by making appropriate
25 markings in the margins), to the extent it is practical to do so.

(c)-For testimony given in deposition, that the Designating Party designate any testimony or exhibits “CONFIDENTIAL”, “HIGHLY CONFIDENTIAL (COMPETITOR)” or “HIGHLY CONFIDENTIAL (COMPETITOR) SII – ATTORNEYS’ EYES ONLY” either on the record before the close of the deposition or in writing on or before the later of thirty days after receipt of the final transcript or the date by which any review by the witness and corrections to the transcript are to be completed under Federal Rule of Civil Procedure 30. If any portion of a deposition is designated, the transcript shall be labeled with the appropriate legend in an obvious manner on the title page, and the title page must be followed by a list of all pages that have been designated as Protected Material and the level of protection being asserted by the Designating Party. If any portion of a videotaped deposition is designated, the original and all copies of any videotape, DVD, or other media container shall be labeled with the appropriate legend in an obvious manner. The Party initiating the deposition shall inform the court reporter of these requirements.

Pending designation as set forth above, the entire transcript, including exhibits, shall be treated in accordance with the rules applicable to “HIGHLY CONFIDENTIAL (COMPETITOR)” or “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” information. If no designation is made within the time period above, the transcript shall be considered not to contain any “CONFIDENTIAL”, “HIGHLY CONFIDENTIAL (COMPETITOR),” or “HIGHLY CONFIDENTIAL (COMPETITOR)”“SII – ATTORNEYS’ EYES ONLY” information. The foregoing provision is expressly subject to the restrictions set forth in Section 5.6 below.

(d) For Protected Material produced in some form other than documentary and for any other tangible items, that the Producing Party affix in a prominent place on the exterior of the container or containers in which the Protected Produced Material is produced or stored the legend "CONFIDENTIAL²²," "HIGHLY CONFIDENTIAL (COMPETITOR)," or "HIGHLY

1 CONFIDENTIAL (~~COMPETITOR~~).^{”SII)} – ATTORNEYS’ EYES ONLY.” If only a portion or
2 portions of the information or item warrant protection, the Producing Party, to the extent practicable,
3 shall identify the protected portion(s) and specify the level of protection being asserted.
4

5.6- Any Protected Material that is used in the taking of a deposition shall remain
subject to the provisions of this Protective Order, along with the transcript pages and videotape of the
deposition testimony dealing with such Protected Material. The use of Protected Material as an exhibit
at a deposition or other pretrial proceeding will not in any way affect its designation as Protected
Material. Counsel for any Producing Party shall have the right to exclude from oral depositions, other
than the deponent and deponent’s counsel, any person who is not authorized by this Protective Order
to receive or access Protected Material based on the designation of such Protected Material. Such right
of exclusion shall be applicable only during periods of examination or testimony regarding such
Protected Material. Parties shall give other Parties notice if they reasonably expect a deposition or other
pretrial proceeding to include Protected Material so that the other Parties can ensure that only
authorized individuals who have signed the “Acknowledgment and Agreement to Be Bound” (Exhibit
A) are present at those proceedings.

5.7- Failures to Designate. If timely corrected, an inadvertent failure to designate qualified
Disclosure or Discovery Material does not, standing alone, waive the Designating Party’s right to
secure protection under this Protective Order for such material. Upon timely correction of a
designation, the Receiving Party must make reasonable efforts to assure that the material is treated in
accordance with the provisions of this Protective Order and shall return or destroy, at the Designating
Party’s option, all qualified information or items that were not designated properly.

1 6. **CHALLENGING CONFIDENTIALITY DESIGNATIONS**

2 6.1- Timing of Challenges. Any Party or Non-Party may challenge a designation of
3 confidentiality at any time. Unless a prompt challenge to a Designating ~~Partyâ€TM~~^s Party's
4 confidentiality designation is necessary to avoid foreseeable, substantial unfairness, unnecessary
5 economic burdens, or a significant disruption or delay of this Action, a Party does not waive its right
6 to challenge a confidentiality designation by electing not to mount a challenge promptly after the
7 original designation is disclosed.

9 6.2- Meet and Confer. The Challenging Party shall initiate the dispute resolution process by
10 providing written notice of each designation it is challenging and describing the basis for each
11 challenge. To avoid ambiguity as to whether a challenge has been made, the written notice must recite
12 that the challenge to confidentiality is being made in accordance with this specific paragraph of the
13 Protective Order. The parties shall attempt to resolve each challenge in good faith and must begin the
14 process by conferring directly (in voice-to-voice dialogue; other forms of communication are not
15 sufficient) within fourteen days of the date of service of notice. In conferring, the Challenging Party
16 must explain the basis for its belief that the confidentiality designation was not proper and must give
17 the Designating Party an opportunity to review the designated material, to reconsider the
18 circumstances, and, if no change in designation is offered, to explain the basis for the chosen
19 designation. A Challenging Party may proceed to the next stage of the challenge process only if it has
20 engaged in this meet-and-confer process first or establishes that the Designating Party is unwilling to
21 participate in the meet-and-confer process in a timely manner.

25 6.3- Judicial Intervention. If the Parties cannot resolve a challenge without court
26 intervention, the Designating Party may file and serve a motion to retain the confidentiality designation
27 under Civil Local Rule 7 (and in compliance with Civil Local Rule 79-5, if applicable) within 21 days
28

1 of the initial notice or within 14 days of the Parties agreeing that the meet and confer process will not
2 resolve their dispute, whichever is earlier. Each such motion must be accompanied by a competent
3 declaration affirming that the movant has complied with the meet and confer requirements imposed in
4 the preceding paragraph. Failure by the Designating Party to make such a motion including the required
5 declaration within the specified time period shall automatically waive the confidentiality designation
6 for each challenged designation. In addition, the Challenging Party may file a motion challenging a
7 confidentiality designation at any time if there is good cause for doing so, including a challenge to the
8 designation of a deposition transcript or any portions thereof. Any motion brought pursuant to this
9 provision must be accompanied by a competent declaration affirming that the movant has complied
10 with the meet and confer requirements imposed by the preceding paragraph
11
12

13 6.4- The burden of persuasion in any such challenge proceeding shall be on the Designating
14 Party. Frivolous challenges, and those made for an improper purpose (e.g., to harass or impose
15 unnecessary expenses and burdens on other parties) may expose the Challenging Party to sanctions.
16 Unless the Designating Party has waived the confidentiality designation by failing to file a motion to
17 retain confidentiality as described above, all Parties shall continue to afford the material in question
18 the level of protection to which it is entitled under the Producing Party's designation until the Court
19 rules on the challenge.
20

21 7. ACCESS TO AND USE OF PROTECTED MATERIAL
22

23 7.1- Basic Principles. A Receiving Party may use Protected Material in connection with this
24 Action only for prosecuting, defending, or attempting to settle this Action. Protected Material may be
25 disclosed only to the categories of persons and under the conditions described in this Protective Order.

26 Protected Material must be stored and maintained by a Receiving Party at a location and in a
27 secure manner that ensures that access is limited to the persons authorized under this Order. When this
28

Action has been terminated, a Receiving Party must comply with the provisions of Section 13 below
(FINAL DISPOSITION).

(a) Law Enforcement Purposes. The Plaintiff State Attorneys General may disclose the Meta Defendants' Protected Material to other State Attorneys General and United States federal government enforcement agencies that are investigating and/or prosecuting consumer protection claims against Meta Defendants related to the allegations in any complaint filed by a State Attorney General against Meta Defendants that is or becomes included in this MDL, provided that those agencies agree in writing to be bound by the terms of this Order. The State Attorneys General and United States federal government enforcement agencies who receive the Meta Defendants' Protected Material pursuant to this paragraph may use it for investigating and/or litigating their consumer protection claims against Meta Defendants related to the allegations in any complaint filed by State Attorneys General against Meta Defendants that is or becomes included in this MDL. The Parties agree to meet and confer regarding amending this provision to apply to additional Defendants if a complaint filed by a State Attorney General that is or becomes included in this MDL names such Defendants.

(i) the author or recipient of a document containing the Protected Material; and

(k) any custodian or other person who otherwise possessed or knew the information contained in the Protected Material.

7.3 Any party producing or disclosing any PHI ~~or PER~~ as defined herein will designate it
“CONFIDENTIAL” under this Protective Order. Any party producing or disclosing any unredacted

1 SII (as that term is defined in Section 14) will designate it “HIGHLY CONFIDENTIAL (SII) –
2 ATTORNEYS’ EYES ONLY” under this Protective Order.

3 7.4 Pre-Trial Disclosure of “HIGHLY CONFIDENTIAL (COMPETITOR)” Protected
4 Material. Unless otherwise ordered by the Court or permitted in writing by the Designating Party, a
5 Receiving Party may disclose any information or item designated “HIGHLY CONFIDENTIAL
6 (COMPETITOR)” only to:

7 (a) the Receiving Party’s Outside Counsel;
8 (b) Up to two Designated House Counsel of a Party who (i) are not involved in
9 Competitive Decision-Making at or on behalf of the Party, and (ii) have executed the
10 “Acknowledgment and Agreement to Be Bound” (Exhibit A);
11

12 (c) Experts (as defined in this Protective Order) of the Receiving Party (1)
13 to whom disclosure is reasonably necessary for this Action, (2) who have signed the “Acknowledgment

15 below, have been followed;

16 (d) the Court and its personnel;
17 (e) court reporters and their staff;
18 (f) professional jury or trial consultants and mock jurors or focus group members

27

(i) during their depositions, 30(b)(6) witnesses of the Designating Party to whom disclosure is reasonably necessary and who have signed the “Acknowledgment and Agreement to Be Bound” (Exhibit A), provided that the material was produced by, originated with, or contains communications with or by the Party on whose behalf the witness is testifying; and

(j) any custodian or other person who otherwise possessed or knew the information contained in the Protected Material.

7.5 This Protective Order shall not be construed to restrict or limit the use, dissemination, or disposition by the Designating Party of its own information that it designates as “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL (COMPETITOR),” or “HIGHLY CONFIDENTIAL (COMPETITOR).”SII) – ATTORNEYS’ EYES ONLY.

7.6 Procedures for Approving or Objecting to Disclosure of “HIGHLY CONFIDENTIAL (COMPETITOR)” or “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” Protected Material to Experts.

(a) “HIGHLY CONFIDENTIAL (COMPETITOR)” Protected Material as used in this Section 7.6 does not apply to source code. -The Parties have represented to the Court that they will submit a separate Proposed Protective Order to address source code produced in this action. Unless otherwise ordered by the Court or agreed to in writing by the Designating Party, a Party that seeks to disclose to an Expert (as defined in this Protective Order) any “HIGHLY CONFIDENTIAL (COMPETITOR)” or “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” Protected Material, must first make a written disclosure disclosure to the Designating Party that (1) sets forth the full name of the Expert and the city and state of his or her primary place of business, (2) attaches a copy of the Expert’s current resume or CV, (3) identifies the Expert’s current employer(s), (4) identifies each person or entity from whom the Expert has received compensation or funding for

1 work in his or her areas of expertise or to whom the Expert has provided professional services,
 2 including in connection with a litigation, at any time during the preceding five years and the Party to
 3 anythe litigation for whom such work was done, (5) identifies (by name and number of the case,
 4 filing date, and location of court) any litigation in connection with which the Expert has offered
 5 expert testimony, including through a declaration, report, or testimony at a deposition or trial, during
 6 the preceding five years, and (6) identifies, in connection with the disclosure of “HIGHLY
 7 CONFIDENTIAL (COMPETITOR)” Protected Material, any patents or patent
 8 applicationsapplication in which the Expert is identified as an inventor or applicant, is involved in
 9 prosecuting or maintaining, or has any pecuniary interest.

12 With regard to the information sought through part (4) of such an Expert disclosure, if
 13 the Expert believes any of this information is subject to a confidentiality obligation and/or non-
 14 disclosure agreement to a Non-Party, then the Expert should provide whatever information the Expert
 15 believes can be disclosed without violating any confidentiality agreements, including at a minimum
 16 disclosing the existence of the confidentiality agreement and/or nondisclosure agreement, and the Party
 17 seeking to disclose to the Expert must be available to meet and confer with the Designating Party
 18 regarding any such engagement. With respect to the disclosure of “HIGHLY CONFIDENTIAL (SII)
 19 – ATTORNEYS’ EYES ONLY” Protected Material, the Party seeking disclosure to an expert must
 20 also follow the procedures identified in Section 14.6 unless otherwise ordered by the Court or agreed
 21 to in writing by the parties.

24 At least one Defendant (Meta) has, prior to this litigation, produced material to State Attorneys
 25 General in connection with State investigations addressing issues similar to those at issue in this action.
 26 Some of those materials were designated as “Confidential” as defined by and pursuant to a
 27 Confidentiality Agreement between Meta and the State Attorneys General. [Dkt. 506-1]. –That

1 Confidentiality Agreement permits the State Attorneys General to disclose information or material
2 designated as Confidential (under the terms of that Agreement) to consultants and experts who have
3 agreed in writing to afford such information a level of protection against disclosure that is at least as
4 protective as the terms of that Agreement, without any prior disclosure to the Producing Party of who
5 those experts are. *Id.* at ¶ 14(c). Defendants have re-produced in this litigation those same materials
6 that were previously produced to the State Attorneys General (and to the extent any have not yet been
7 re-produced, Defendants anticipate completing such re-production).

8
9 For avoidance of doubt, if a State Attorney General Plaintiff has been and/or is continuing to
10 work with an expert or consultant on any investigations, and *not* this litigation, then the terms of the
11 Confidentiality Agreement control and, for that reason, no disclosure of any such expert or consultant
12 (as discussed in this Section 7.6) is required even if such expert or consultant has received or has access
13 to material designated as “Confidential” pursuant to that Confidentiality Agreement regardless of
14 whether it has been re-produced in this litigation.

15
16 For further avoidance of doubt, if a State Attorney General Plaintiff desires in the future to
17 disclose documents, information, or material designated by a Defendant as “HIGHLY
18 CONFIDENTIAL (COMPETITOR)” Protected Material, where such documents, information, or
19 material were not produced by a Defendant in connection with a State investigation (and thus were not
20 produced pursuant to the Confidentiality Agreement in the investigations), then the disclosure
21 requirements of this Paragraph 7.6 shall at that point be triggered.

22
23 Additionally, as required by Sections 5.1 and 5.2 herein, a Designating Party shall not over-
24 designate produced documents, information, or material as “HIGHLY CONFIDENTIAL
25 (COMPETITOR)” or “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” Protected
26 Material.
27
28

(b) A Party that makes a disclosure and provides the information specified in the preceding respective paragraphs may disclose the subject Protected Material to the identified Expert unless, within fourteen calendar days of delivering the request, the Party receives a written objection from the Designating Party. Any such objection must set forth in detail the grounds on which it is based. Any such objection shall be reasonable and made in good faith, and shall be signed by counsel under Fed. R. Civ. P. 11.

(c) A Party that receives a timely written objection must meet and confer with the Designating Party (through direct voice-to-voice dialogue) to try to resolve the matter by agreement within ten calendar days of the written objection. -The Parties shall comply with all meet and confer requirements in Section H of this ~~Courtâ€TM's Court's~~ Discovery Standing Order. -If no agreement is reached, the Parties shall comply with Section H of the ~~Courtâ€TM's Court's~~ Discovery Standing Order by presenting a joint letter brief to present such discovery dispute to the Court, or otherwise in accordance with any other Orders from the Court on procedures for disputes relating to discovery matters and protective orders in this matter. -Each such motion must be accompanied by a competent declaration affirming that the movant has complied with the meet and confer requirements imposed in this paragraph and the Court's Standing Orders.

In any such proceeding, the Party opposing disclosure to the Expert bears the burden of proving that the risk of harm that the disclosure would entail (under the safeguards proposed) outweighs the Receiving Party's need to disclose the Protected Material to its Expert. Nothing in this section shall preclude, limit, or otherwise affect the disclosure of redacted SII to experts or in public court filings.

7.7 Disclosure of Protected Material to Designated House Counsel or Insurance
Representatives.- Any Protected Material provided to Designated House Counsel or Insurance Carriers
pursuant to Sections 7.2(b) or 7.4(b) above, or 14.5(b) below shall be provided through a secure, third-

1 party platform, and access shall be limited to read-only.- Each Designated House Counsel or Insurance
 2 Representative shall be provided their own access credentials, which they shall not share with anyone
 3 else.

4 **8. CHALLENGES TO DESIGNATED HOUSE COUNSEL OR INSURANCE**
 5 **REPRESENTATIVES**

6 8.1 Unless otherwise ordered by the Court or agreed to in writing by the Designating Party,
 7 before disclosing any Protected Material designated as “CONFIDENTIAL (in the case of Insurance
 8 Representatives) or ““HIGHLY CONFIDENTIAL (COMPETITOR),” or “HIGHLY
 9 CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” (in the case of a PartysParty’s Designated
 10 House Counsel), a Party must submit in writing to the Designating Party a written statement that: (1)
 11 sets forth the full name of each Designated House Counsel or Insurance Representative and the city
 12 and state of his or her residence, and (2) (for Insurance Representatives only) states the Insurance
 13 RepresentativesRepresentative’s job title and a brief explanation regarding the individualsindividual’s
 14 need to know the Confidential Information, and (3) (for Designated House Counsel only) describes
 15 each Designated House CounselsCounsel’s primary job duties and responsibilities in sufficient detail
 16 to determine if each Designated House Counsel is involved in Competitive Decision-Making. -If at any
 17 time, a Party decides to replace a Designated House Counsel or Insurance Representative, the Party
 18 must submit a written statement regarding its proposed replacement Designated House Counsel or
 19 Insurance Representative pursuant to this paragraph and follow the procedures in Sections 8.2 and 8.3
 20 below.

21 8.2 A Party may disclose Protected Material to its Designated House Counsel or to an
 22 Insurance Representative in accordance with the provisions of this Protective Order unless the Party
 23 receives a written objection from a Designating Party within 10 days of receiving notice as described
 24

1 in Section 8.1. If the Party replaces any of its Designated House Counsel or Insurance Representatives
 2 pursuant to Section 8.1, the Party may disclose Protected Material in accordance with this Protective
 3 Order unless such Party receives a written objection from a Designating Party within 10 days of
 4 receiving the Party's written statement. Any objection must set forth in detail the grounds on which it
 5 is based.

7 8.3 If a Party receives a timely written objection, it must meet and confer with the
 8 Designating Party to try to resolve the matter by agreement within 7 days of the written objection. -If
 9 no agreement is reached, the Designating Party will then have 7 additional days to comply with the
 10 dispute resolution procedures in Magistrate Judge Hixson'sKang's Standing Order or to file a motion
 11 with the Court objecting to the Designated House Counsel or Insurance Representative. -The Party will
 12 not disclose any "CONFIDENTIAL" designated Protected Material to Insurance Representatives or
 13 "HIGHLY CONFIDENTIAL (COMPETITOR)", or "HIGHLY CONFIDENTIAL (SII) -
 14 ATTORNEYS' EYES ONLY" designated Protected Material to the proffered Designated House
 15 Counsel pending resolution of the dispute.

17 **9. PROTECTED MATERIAL SUBPOENAED OR ORDERED PRODUCED IN**
 18 **OTHER LITIGATION**

20 9.1 If a Party or other person or entity authorized to receive Protected Material under
 21 Section 7 is served with a subpoena or court order in other litigation that compels disclosure of any
 22 Protected Material that Party must:

23 (a) promptly notify in writing the Designating Party, including a copy of the
 24 subpoena or court order;

(b) promptly notify in writing the party who caused the subpoena or order to issue in the other matter that some or all of the material covered by the subpoena or order is subject to this Protective Order. Such notification shall include a copy of this Protective Order; and

(c) cooperate with respect to all reasonable procedures sought to be pursued by the Designating Party whose Protected Material may be affected.

9.2 If the Designating Party timely seeks a protective order, the Party served with the subpoena or court order shall not produce any Protected Material before a determination by the court from which the subpoena or order issued, unless the Party has obtained the Designating Party's permission. The Designating Party shall bear the burden and expense of seeking protection in that court of its confidential material. Any agreement by a Designating Party that Protected Material may be produced in response to a subpoena or order does not in any way waive the protections this Protective Order provides against disclosure in any other matter, including this Action.

9.3 The provisions set forth herein are not intended to, and do not, restrict in any way the procedures set forth in Federal Rule of Civil Procedure 45(d)(3) or (f). Nothing in these provisions should be construed as authorizing or encouraging a Receiving Party in this Action to disobey a lawful directive from another court.

10. 40. A NON-PARTY'S PROTECTED MATERIAL SOUGHT TO BE PRODUCED
IN THIS ACTION

10.1 The terms of this Protective Order are applicable to Protected Material produced by a Non-Party in this Action. Such Protected Material produced by Non-Parties in connection with this Action is protected by the remedies and relief provided by this Protective Order. Nothing in these provisions should be construed as prohibiting a Non-Party from seeking additional protections.

1 10.2 In the event that a Party is required, by a valid discovery request, to produce a Non-
2 Party's confidential information in its possession, and the Party is subject to an agreement with the
3 Non-Party not to produce the Non-Party's confidential information, then the Party shall

4 (a) promptly notify in writing the Requesting Party and the Non-Party that some or
5 all of the information requested is subject to a confidentiality agreement with a Non-Party.

6 (b) promptly provide the Non-Party with a copy of the Protective Order in this
7 litigation, the relevant discovery request(s), and a reasonably specific description of the information
8 requested; and

9 (c) make the information requested available for inspection by the Non-Party. 10.3

10 If the Non-Party fails to object or seek a protective order from this Court within 14 days after receiving
11 the notice and accompanying information, then the Receiving Party may produce the Non-Party's
12 confidential information responsive to the discovery request. If the Non-Party timely seeks a
13 protective order, the Receiving Party shall not produce any of the Non-Party's information in its
14 possession or control that is subject to the confidentiality agreement with the Non-Party before a
15 determination by the Court. Absent a court order to the contrary, the Non-Party shall bear the burden
16 and expense of seeking protection in this Court of its Protected Material.

17 **11. 41. UNAUTHORIZED DISCLOSURE OF PROTECTED MATERIAL**

18 11.1— If a Receiving Party learns that, by inadvertence or otherwise, it has disclosed
19 Protected Material to any person or in any circumstance not authorized under this Protective Order, the
20 Receiving Party must immediately:

21 (a) notify in writing the Designating Party of the unauthorized disclosure(s);

22 (b) use its best efforts to retrieve all unauthorized copies of the Protected Material;

(c) ___ inform the person or persons to whom unauthorized disclosures were made of all the terms of this Protective Order; and

(d) request such person or persons to execute the "Acknowledgment and Agreement to Be Bound" that is attached hereto as Exhibit A.

11.2 Nothing in these provisions limits or prohibits a Party or Non-Party from seeking any available legal or equitable remedies or relief for the unauthorized disclosure of its Protected Material, including but not limited to attorneys' fees and costs associated with enforcing its rights under this Protective Order.

12. 12.—MISCELLANEOUS

12.1 Right to Further Relief. Nothing in this Protective Order abridges the right of any person or Party to seek its modification by the Court in the future.

12.2 Right to Assert Other Objections. By stipulating to the entry of this Protective Order no Party waives any right it otherwise would have to object to disclosing or producing any Disclosure or Discovery Material on any ground. Similarly, no Party waives any right to object on any ground to use in evidence of any of the Disclosure or Discovery Material covered by this Protective Order.

12.3 Filing Protected Material. Without written permission from the Designating Party or a Court order secured after appropriate notice to all interested parties, a Party may not file in the public record in this Action any Protected Material. A Party that seeks to file under seal any Protected Material must comply with Civil Local Rule 79-5, unless otherwise permitted or ordered by the Court, and Protected Material may only be filed under seal pursuant to a Court order authorizing the sealing of the specific Protected Material. If a Court determines that certain Protected Material may not be filed under seal, then the Receiving Party may file the information in the public record unless otherwise instructed by the Court.

1 12.4 Prosecution Bar. Absent written consent from the Designating Party, any individual
2 bound by this agreement who receives access to “HIGHLY CONFIDENTIAL (COMPETITOR)”
3 Protected Material must not be involved in the prosecution of patents or patent applications relating to
4 the subject matter of the “HIGHLY CONFIDENTIAL (COMPETITOR)” Protected Material. For
5 purposes of this paragraph, “prosecution” includes directly or indirectly drafting, amending, advising,
6 or otherwise affecting the scope or maintenance of patent claims. Prosecution includes, for example,
7 original prosecution, reissue, and reexamination and other post-grant proceedings. This Prosecution
8 Bar begins when access to “HIGHLY CONFIDENTIAL (COMPETITOR)” Protected Material is first
9 received by the individual and ends two (2) years after final disposition of this Action has expired, as
10 defined by Section 4.

11 12.5 Privilege Logs. The Parties’ agreement regarding the requirements for, timing, format,
12 and content of privilege logs will be memorialized in a separate agreement.

13 12.6 Production of Privileged or Otherwise Protected Material. The Parties will request the
14 Court to enter a separate order under Fed. R. Evid. 502(d) that governs the production of Disclosure
15 and Discovery Material that is protected from discovery.

16 12.7 Source Code. This Protective Order is not intended to, and does not, govern the
17 confidential treatment of Defendants’ Source Code. The Parties agree to address the confidential
18 treatment of Defendants’ Source Code in a separate protective order.

19 12.8 Export Control. Except to the extent permitted by law, no Protected Material designated
20 “EXPORT CONTROL PROTECTED MATERIAL” may leave the territorial boundaries of the United
21 States of America, be viewed outside the territorial limits of the United States of America, or be made
22 available to any foreign national who is not (i) lawfully admitted for permanent residence in the United
23 States or (ii) identified as a protected individual under the Immigration and Naturalization Act (8 U.S.C.

1 1324b(a)(3)). At the time of production, a Disclosing Party will identify to the Receiving Party the
2 Export Control Classification Numbers of the technical data contained in the Disclosing Party's
3 "EXPORT CONTROL PROTECTED MATERIAL" productions to the best of its knowledge, and the
4 Receiving Party must ensure that it complies with all applicable export control regulations. This
5 provision does not apply to Protected Material designated "HIGHLY CONFIDENTIAL (SOURCE
6 CODE)," which shall be governed by a later Order.

8 **13. FINAL DISPOSITION**

9 13.1 Within 60 days after the final disposition of this Action, as defined in Section 4, each
10 Receiving Party must return all Protected Material to the Producing Party or destroy such material and
11 provide written confirmation of destruction.

13.2 Notwithstanding the foregoing, any Receiving Party that is an insurance company with
14 a potential coverage obligation with respect to this Action, or a Defendant that is pursuing insurance
15 coverage for this Action, shall be permitted to retain copies of Protected Material subject to all
16 requirements of this Protective Order and solely to the extent such retention is necessary to comply
17 with applicable law and its regulatory and contractual obligations or to pursue insurance coverage from
18 its insurer; and such insurance company and Defendant shall return or destroy such Protected Material
19 within 60 days of the end of the above-stated reasons or obligations to retain the Protected Material.

21 13.3 As used in this subdivision, "Protected Material" includes all copies, abstracts,
22 compilations, summaries, and any other format reproducing or capturing any of the Protected Material.
23 Whether the Protected Material is returned or destroyed, the Receiving Party must promptly thereafter
24 submit a written certification to the Producing Party (and, if not the same person or entity, to the
25 Designating Party) by the 60-day deadline that (1) identifies (by category, where appropriate) all of the
26 Protected Material that was returned or destroyed and (2) affirms the Receiving Party has not retained
27
28

any copies, abstracts, compilations, summaries, or any other format reproducing or capturing any of the Protected Material. Notwithstanding this provision, Counsel are entitled to retain an archival copy of all pleadings, motion papers, trial, deposition, and hearing transcripts, legal memoranda, correspondence, deposition and trial exhibits, expert reports, a Party's own client records, attorney work product, and consultant and expert work product, even if such materials contain Protected Material. Any such archival copies that contain or constitute Protected Material remain subject to this Protective Order as set forth in Section 4 (DURATION).

14. REDACTIONS OR DESIGNATIONS OF HIGHLY CONFIDENTIAL (SII) –

ATTORNEYS' EYES-ONLY MATERIAL (EDUCATIONAL RECORDS CONTAINING STUDENT INDIVIDUALLY IDENTIFIABLE INFORMATION)

14.1 Scope of Student Personally Identifiable Information under the Family Educational Rights and Privacy Act (“FERPA”): Students and their families have expectations and interests in the privacy and confidentiality of non-public and sensitive information created, collected, or documented by school systems (or other legitimate service providers and contractors in the schools).² This sensitive

Code Ann., Educ. § 4-131; Code of Maryland Regulations (COMAR) 13A.08; the Maryland Public Information Act, Md. Code Ann., General Provisions, Title 4; and Payment Card Industry Data Security Standards (PCI-DSS). And so do individual school systems. 1 and student personally identifiable information includes data and information about, among other
 2 things, individual students' medical, psychological, social, financial conditions and circumstances,
 3 family history, immigration status, language status, gender identity, and disciplinary records, and other
 4 personally identifying information, which students and their families do not expect to be disclosed to
 5 third parties, particularly in litigation to which they are not themselves parties.
 6

7 In addition to the privacy interests associated with personally identifying and sensitive
 8 information (especially of minors), School Districts have legal duties to comply with FERPA, and other
 9 related state laws and regulations, in protecting this material. Under FERPA, 34 CFR § 99.3, Student
 10 Personally Identifiable Information (herein "SII") includes, but is not limited to: (a) the student's name;
 11 (b) the name of the student's parent or other family members; (c) the address of the student or student's
 12 family; (d) a personal identifier, such as the student's social security number, student number, or
 13 biometric record; (e) other indirect identifiers, such as the student's date of birth, place of birth, and
 14 mother's maiden name; (f) other information that, alone or in combination, is linked or linkable to a
 15 specific student that would allow a reasonable person in the school community, who does not have
 16 personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or
 17 (g) information requested by a person who the educational agency or institution reasonably believes
 18 knows the identity of the student to whom the education record relates. At the same time, Defendants
 19 are entitled to the production of responsive to their discovery requests (subject to Plaintiffs' objections)
 20 in the possession of the School Districts, notwithstanding the fact that some of it may contain SII.

1 Accordingly, given the sensitivity of this data, the need to produce relevant data and
 2 information, and notwithstanding any other provision in this Protective Order all such materials
 3 containing SII may either be redacted and designated and treated as “CONFIDENTIAL” or produced
 4 in unredacted form and be designated and treated as “HIGHLY CONFIDENTIAL (SII) –
 5 ATTORNEYS’ EYES ONLY” material after notice and opportunity to object as set forth in this Order.
 6
 7 The “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” designation applies
 8 exclusively to data and documents containing unredacted SII.

9 14.2 Court-Mandated Production of Education Records and Exempted Categories of
 10 Individual Student Records: The Court orders the School Districts to produce the documents that are
 11 responsive to the discovery requests and search terms that have been agreed to by the Parties, are not
 12 subject to objection, and contain SII, either in redacted form or, after notice is provided and the
 13 objection period expires, in unredacted form and designated “HIGHLY CONFIDENTIAL (SII) –
 14 ATTORNEYS’ EYES ONLY”. Nothing in this order shall be construed as requiring the production of
 15 records for individual students, including individual academic records, individual healthcare records,
 16 individual counseling records, individual behavior records, individual records of extracurricular
 17 activities, and any other records of individual students. For any data or documents containing SII, the
 18 ordered production may either be done by redacting SII and designating the data or documents
 19 “CONFIDENTIAL” or by providing notice as set forth in this Order, waiting for the objection period
 20 to expire, and designating the data or documents “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’
 21 EYES ONLY”.

22 14.3 Redaction Designation of Redacted SII as “CONFIDENTIAL”: To protect student
 23 privacy and comply with the requirements of FERPA, and other related state laws and regulations,
 24 School Districts may redact and produce SII using the “CONFIDENTIAL” designation.

1 14.4 Designation of Unredacted SII as “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’
 2 EYES ONLY” Material: To protect student privacy and comply with the requirements of FERPA, and
 3 other related state laws and regulations, School Districts may produce unredacted SII after notice is
 4 provided as set forth in this Order, the objection period has expired, and so long as any such unredacted
 5 SII is designated as “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY”.

6
 7 14.5 Required Notice of Disclosure of “HIGHLY CONFIDENTIAL (SII)– ATTORNEYS’
 8 EYES ONLY” Material: Prior to producing unredacted SII designated as “HIGHLY CONFIDENTIAL
 9 (SII)—ATTORNEYS’ EYES ONLY, School Districts must provide a general notice of the intention
 10 to disclose documents containing unredacted SII. If notice is given, it shall be in the form attached
 11 hereto as Exhibit B, Notice of Disclosure of Student Records, and posted to the website for the School
 12 District. If no objections are received on or before October 25, 2024,³ or within twenty-one (21) days
 13 after the posting of the notice, whichever is later, the School District may proceed with producing
 14 unredacted SII and designating it “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY”.
 15 Any School District who is going to produce unredacted SII shall be required to post the notice within
 16 five (5) days after the Court enters this Order. If School Districts receive any objection(s) on or before
 17 October 25, 2024, the School Districts must notify Defendants by email within 14 days of receiving
 18 any such objection(s) to the extent the objection(s) have not been resolved during the 14-day period.
 19 The notice to Defendants shall not disclose any SII and shall merely indicate that an objection has been
 20 received and how the District intends to respond to the objection (e.g., by redacting the objecting
 21 student’s SII).

25
 26

 27 ³ The October 25, 2024 objection deadline applies only to the current Bellwether School Districts and
 28 not to any Non-Bellwether School District. The parties will meet and confer to discuss an amendment
 to this provision for the Non-Bellwether School Districts at a future time when the Court orders the
 start of case-specific discovery for Non-Bellwether cases.

1 14.6 Unless otherwise ordered by the Court or agreed to in writing by the parties, information
 2 designated as “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” may be disclosed
 3 only to:

- 4 a) Receiving Party’s Outside Counsel of Record;
- 5 b) Up to two Designated House Counsel of a Party who have executed the
 “Acknowledgement and Agreement to Be Bound” (Exhibit A to the Protective Order,
- 6 Dkt. No. 290);
- 7 c) Experts (as defined in this Protective Order) of the Receiving Party (1) to whom
 disclosure is reasonably necessary for this Action, (2) who have signed
- 8 “Acknowledgement and Agreement to Be Bound,” and (3) as to whom the procedures
- 9 set forth in Section 7.6, above, have been followed.
- 10 d) Any individual authorized by FERPA or other relevant law or regulations to have access
 to such information.

14.7 Limitations on Use of “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES
 ONLY” Material: Data and documents designated as “HIGHLY CONFIDENTIAL (SII) –
 ATTORNEYS’ EYES ONLY” shall be used solely for the purposes of this litigation and shall not be
 used for any other purpose, including business or competitive purposes, or in any other legal or
 administrative proceeding. The information shall not be shared with any party or individual not
 explicitly authorized under this Protective Order. Unless otherwise ordered by the Court, no document
 or thing containing any student or former student’s SII will be used in an expert report, included in any
 publicly available filing with the Court, or disclosed in open Court, until after *individualized* notice has
 been provided to the specific affected individual student(s) or parent(s), consistent with 34 C.F.R.
 99.30, and waiting for a second objection period to expire.

1 14.8 Procedure for Redacting and Re-designating Materials Designated as “HIGHLY
2 CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY”: Defendants may request that materials
3 designated as “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” be re-designated as
4 “CONFIDENTIAL” in accordance with the following procedure. Defendants shall provide School
5 Districts with reasonable written notice of requested redactions to unredacted materials previously
6 designated as “HIGHLY CONFIDENTIAL (SII) – ATTORNEYS’ EYES ONLY” and shall identify
7 the specific documents and SII for consideration for redactions. The School Districts (in turn) shall
8 provide Defendants with a response within 10 days of receiving notice from Defendants, including if
9 there is additional SII contained in the materials at issue that should be redacted. If the parties reach
10 an agreement regarding redactions to SII in the specified materials, such materials shall be redacted
11 and re-designated as “CONFIDENTIAL” and treated accordingly. If the parties are unable to reach an
12 agreement regarding the requested redaction and re-designation of such materials, the parties shall
13 follow the procedures for challenging confidentiality designations as set forth in provision 14.9 below.
14 Nothing in this section shall be interpreted as requiring School Districts to provide notice
15 (individualized or otherwise) to students or parents in connection with the production, disclosure, or
16 use in Court of SII that has been redacted and designated or re-designated as “CONFIDENTIAL”.

20 14.9 Disputes over redactions of SII or designation of material as “HIGHLY
21 CONFIDENTIAL (SII)– ATTORNEYS’ EYES ONLY”: Disputes regarding redactions to SII or the
22 designation of materials as “HIGHLY CONFIDENTIAL (SII)—ATTORNEYS’ EYES ONLY” shall
23 follow the procedures set forth in Section 6 above.

25 14.10 Nothing in this Order shall prevent any party hereto from seeking modification of this
26 Order, or from objecting to discovery which it believes to be improper.

1 Prior to the entry of this Order, some Bellwether School Districts may have produced
2 documents designated as Personally Identifiable Information (PII) or some similar designation. All
3 such documents shall be automatically deemed and treated under this Amended Protective Order as
4 "HIGHLY CONFIDENTIAL (SII) – ATTORNEYS' EYES ONLY, without the need for relabeling or
5 re-designation.

EXHIBIT B: [PROPOSED] NOTICE OF DISCLOSURE OF STUDENT RECORDS

THIS NOTICE is being provided to you pursuant to the Family Educational Rights and Privacy Act (“FERPA”), 20 U.S.C. § 1232g(b) and 34 C.F.R. § 99.31(a)(9)(ii), a federal law that protects the privacy of student records, as well as the Individuals with Disabilities Education Act, (“IDEA”), 20 U.S.C. § 1400, et seq. If you are the parent or guardian of a child, student eighteen (18) years of age or older, or former student eighteen (18) years or older who attended a school within [SCHOOL DISTRICT] at any time between the 2014 – 2015 school year and the 2023 – 2024 school year, this notice may apply to you. Please read it carefully.

A group of Plaintiffs in the lawsuit entitled *In Re: Social Media Adolescent Addiction / Personal Injury Products Liability Litigation*, Civil Action 4:22-MD-3047, consists of school districts (the “Plaintiffs” or “School Districts”) who are suing social media companies (“the Defendants”) for harms related to the youth mental health crisis spurred by the Defendants. The School District Plaintiffs include [SCHOOL DISTRICT] (“Plaintiff”). The Defendants have requested that the Plaintiffs disclose certain student records that may be relevant to the School Districts’ claims. All parties and the Court have agreed that the requested records should be disclosed to the Defendants, subject to FERPA’s requirements that this notice be provided in advance and that

~~STIPULATED SECOND MODIFIED PROTECTIVE ORDER 4:22-MD-03047-YGR~~

parents, guardians and eligible students be given the opportunity to object to disclosure. The Court entered an Order on [DATE] directing that the requested records be disclosed after the time period for objections (listed below) has elapsed.

INFORMATION THAT WILL BE DISCLOSED:

Defendants have requested numerous documents, as well as student data collected and stored by Plaintiff. Many requested documents and data stored contain student personally identifiable information (SII) of the children who attended Plaintiff's schools between the 2014 – 2015 and 2023 – 2024 school years. Although Plaintiff has contested the production of such information, the Court, at this juncture, has ordered Plaintiff to produce to Defendants' legal counsel and a limited number of pre-disclosed experts, documents, and data responsive to Defendant requests that contain student SII.

At this point, students' records will be produced for viewing only by attorneys (for "Attorneys' Eyes Only"). If at some later point in the litigation, either plaintiffs or defendants decide to use your student's record(s) more publicly—in an expert report, a court filing, or in open court—you will be provided advance notice of that plan and an opportunity to object and seek to prevent more public disclosure of your student's record(s).

THE COURT'S ORDERS:

The Court has entered a "Protective Order" in this matter that prevents the parties (and their representatives) from sharing confidential documents and information, such as student records, with anyone outside of the lawsuit for any purpose. At no time will the names of any minors, birth dates, or social security numbers be released to the public. In addition, the information from these disclosed documents may not be filed with the Court, meaning that the document will not be disclosed to the public. The Protective Order also requires that all confidential documents exchanged during the lawsuit be returned or destroyed after the lawsuit has concluded.

PARTIES:

- Plaintiffs: [SCHOOL DISTRICT]
- Defendants: [DEFENDANTS]

NATURE OF THE ACTION:

In this federal lawsuit, the Plaintiffs allege that the Defendants have designed, developed, produced, operated, promoted, distributed, and marketed addictive and dangerous platforms that target minors and encourage addictive behavior in adolescents, which has led to an unprecedented mental health crisis in youth causing substantial and financially burdensome interference with the operation of the School Districts.

WHY STUDENT RECORDS HAVE BEEN REQUESTED AND HOW THEY WILL BE USED:

The Defendants have requested certain student records as part of the “discovery” phase of the lawsuit, in which the parties exchange documents and information that tend to either prove or disprove the Plaintiff’s claims. The parties’ lawyers and a limited number of experts employed by the parties may review the disclosed records in order to determine whether the social media companies have caused a mental health crisis that has damaged the School Districts. The parties may present some of the records to the Judge.

OBJECTIONS TO DISCLOSURE:

If you believe that your or your child's records should not be disclosed, you must fill out the attached form "Objection to Disclosure of Student Records" and mail it to [PLAINTIFF ATTORNEY] by no later than [DATE]. You may also submit your objection, containing the same information as requested in the attached form, via electronic mail to [EMAIL ADDRESS], by no later than [DATE]. If your objection is not postmarked by [DATE], the records listed above will be disclosed pursuant to the Court's Order. As noted above, all records disclosed during the lawsuit will be kept confidential and will be returned to the School District or destroyed after the lawsuit has concluded.
